Frequently-Asked-Questions

What does Booster (B) do?

Each year, the (B) works hard to organize all of the events/activities for the fall soccer season, order the families' spirit wear, develop posters, banners, and team highlights, and facilitate all fundraising activities for the program. In addition, the (B) manages all communication throughout the season. The (B) will also work back with each team manager on helping them coordinate all team dinners and preparing snacks/drinks (away only) schedules between games each week.

Where does the money come from?

Ultimately, the OE soccer families support the entire program. The (B) will assist by helping raise the money through dues, business ads in our home game soccer program, spirit wear, and selected fundraisers each year that also work to help team build our community of players and families.

What are my fees?

The cost is \$80 for each OE soccer player. Everything above is included. We will not collect again the rest of the year, all monies will be taken care of after the Scrimmage games on Friday, Aug 19th 2016. If you have two (2) children in the OE Soccer Program, it is an additional \$55. **Exception on banquet only; we will charge extra for grandparents, siblings, and guests as required by each family.*

I want to help, what can I do?

Our most immediate need from you is photos and/or video at each of the team's games. We have a Shutterfly account where photos can be shared throughout the season. (www.olatheeastmenssoccer.shutterfly.com)

If you are interested in being a Team Manager, we rely on parent representation from each of the three (3) teams to send weekly reminders, alert families of changes to games and team dinner locations and help facilitate updates between the coaching staff and parents. We can also use a parent from each team to post updates on Twitter throughout the season ([@oemenssoccer](https://twitter.com/oemenssoccer)). At a minimum, make sure you follow the updates throughout the season on our website and Twitter feed throughout the season.

We are always eager to welcome newcomers to our Board. If you are willing to help and have interest in attending our monthly meetings, please let us know. Details of the entire program can be found out on our website: www.olatheeastmenssoccer.com.

Additional roles we will need to fill prior to the season getting underway: apparel, posters/banners, any fundraising event, website support, and event planners for Senior Night, Pink Out, Alumni, Parent Night, and our Soccer Banquet at the end of the year.

If you can help in any of these ways, please contact Andrew Esparza (President) at oemenssoccer@gmail.com, or call directly @ 913.481.5311.

IMPORTANT: We are asking all families to participate in team dinners each week, and snack bags for the AWAY games only. Feel free to team up on the dinner. The players appreciate the time together as teammates and they love the grub! Thank you , OE Booster
